Thank you Katie 😊!

Yes, the 114 went out last week to 8 entities that own/operate 21 facilities. Attaching a copy of both a Word version and PDF version of the letter we sent out for one of the 8 entities.

I heard the HON ICR went out. I'm just curious how many facilities were impacted and if you could share an example of the letter that went out.

Congratulations on your promotion! That is fantastic.
